June-July 2010

From Your Queen

“Hey FYRA cowboys and cowgirls! Here’s a huge “way to go” from your 2010 Rodeo Queen, Kayla Caudle! I know this season

has started off with all of us packing rain gear and paddle boats, but all of you toughed it out and did an amazing job. We are off to a Great Start! I’ve noticed great cooperation amongst all age groups, especially helping each other out in the rain! Everyone did a great job this past rodeo in Wingate, NC with trash clean up, and yall are doing a good job leaving the grounds as we found them! What a great way to thank Cross Creek Arena for having us! If you couldn’t make it to this weekends rodeo, you missed out on good fun in the rain at a wonderful facility! Hope to see you at the next one! Special shout out to the flag team- you were awesome too! If anyone would like to carry a flag at a future rodeo- just let me know! Special thanks to our board and parents for keeping things running

smoothly as well! Well, Good luck to all competitors at the June Rodeo! I know all of you will do your best! I’ll be there cheering for you!

Thanks, Kayla Caudle

2010 FYRA Rodeo Queen
